STEP I

BASIC PROTEST LINE UP

DO NOT AT ANY TIME BREAK THE LINE. ONCE THE POLICE BREACHES THE LINE IT WILL BE DIFFICULT TO REGAIN CONTROL.

DO NOT ACTIVELY ENGAGE ON THE POLICE, THIS WILL WEAKEN THE LINE. DEFEND YOURSELF, BUT LET THE OTHERS PUSH BACK THE POLICE. JUST STAY IN FORMATION.

IF YOU SEE THE 1ST LINE IS IN TROUBLE RUSH IN TO HELP HOLD THE FORMATION.

YOU WILL BE THE ACTIVE COUNTERING FORCE WITH LONG STICKS YOU WILL PUSH THE POLICE AWAY.

YOU WILL BE THE PASSIVE COUNTERING FORCE. YOUR MAIN GOALS: REINFORCING THE 1ST LINE, MAKING SURE THE FORMATION IS KEPT AND DEFENDING AGAINST POLICE COUNTER MEASURES.

TO DEFEND AGAINST PROJECTILES FROM THE POLICE (CL GAS ETC) TRY SHIELDING ABOVE YOU, IN THAT THIS CAN DEFLECT THE PROJECTILE AND MINIMIZE IMPACT. USE CARDBOARD, BACKPACK, ANYTHING AVAILABLE.

Tactics for protesting

The following is a guide for how to organize during an action. The "Peace Police" (protest herders, usually in high visibility vests) claim they are here to minimize arrests. The truth is they cannot protect you from the police! They are doing the cop's jobs for them, and people still get arrested anyway!

This is a guide on how to form groups and outmaneuver the police.
