

What you end up saying doesn't have to be in SALUTE order or be at all "professional", it just has to get all the important information across.

Good luck out there!

You're at a protest march and see something that worries you.
Remember: the way you talk about a threat is important.

"there's some sketchy guys over here"

Unclear → Fear! Doubt! Rumor!

"Six guys in black and yellow moving in from the corner of 10th and L, big american flag, one's livestreaming!"

Clear → A defense can be made!

Consider using S.A.L.U.T.E. to remember what to share.
